

Parlons
français

Give your child a head start for secondary school
by getting him/her to learn French from a young age
and join the **French Club** at lunch time!

As a native French speaker and a qualified primary school teacher, I propose fun based French starter club at lunch time for pupils from years 2 to 6. In small groups, divided into age groups, the children will learn the basics of communication and get familiar with some cultural aspects, they can be your tour guide on your next holiday trip to France!

Starting in September, 12 sessions per term, at £9/session, £108 payable at the start of the term.

Are you interested ?

- Yes, I would be interested in my child learning French at lunch time on Tuesdays
 Thursdays

My child's name is, in year

My name is.....

My email is

Email this back to me or print it and give it back to the office.
